# -- General Information --

## **Location:**

This sale will be held in our heated sale pavilion at Tulleevin Farms, formerly known as the South & Gallaher Farms, at Franklin, Ohio. The farm is located on State Road 122, eight miles East of Middletown, Ohio. The location is midway between Dayton and Cincinnati and there are airports at each of these cities.

## **Time:**

The sale will start promptly at 12:30 p.m., Eastern Standard Time on Wednesday, March 19, 1958. Lunch will be served at the farm.

## **Headquarters:**

We suggest the Manchester Hotel in Middletown, Ohio. This will be especially convenient for those coming from the Polled Shorthorn Congress because the trip by car will go right through Middletown. We suggest that you write directly to the hotel, requesting a reservation and stating when you expect to arrive and the number of people in your party.

## **Study The Map:**

For the convenience of visitors we have printed a map on the inside back cover of this catalog. Those coming from the Congress at Indianapolis, 115 miles, take Route 40 to Richmond, Indiana, then Route 35 to Eaton, then 122 to the farm. Stop at Middleton, Ohio, (Manchester Hotel), 8 miles from the farm for the night.

## **Transportation:**

Those coming by train or plane should route themselves either through Cincinnati or Dayton. We will be glad to meet sale guests in either city if notified in advance.

Those unable to be present and who desire to do so may send buying orders to any of the following men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, 16 South Locust Street, Aurora, Illinois.

H. W. Walker, Eastern Representative, The Shorthorn World, 3906 East 71st Street, Indianapolis, Indiana.

Kenneth Fulk, Secretary, American Shorthorn Breeders' Assn., 7 Dexter Park Ave., Chicago 9, Illinois.

Ed Huff, Eastern Representative, American Shorthorn Breeders' Association, Culpeper, Virginia.

Auctioneers — C. D. Swaffar and Ned W. Place.

Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois.

Jim Adams, director of the Polled Shorthorn Society, second from the right, presents the reserve grand champion female trophy to Charles South and Dan O'Connor, Tulleevin Farms, Franklin, Ohio, at the 1957 International Show. Dale Ketron holds the winning beauty, LF Lavender Lady x by LF Fascination x.

## Tulleevin hangs out the welcome sign ..

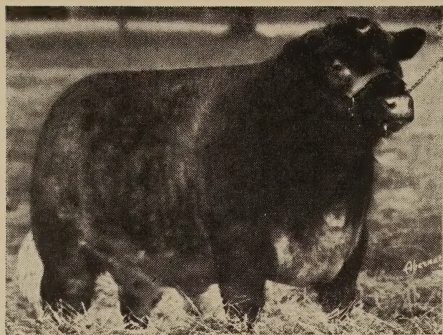

The pattern for the owners' foreword in all sale catalogs is pretty much the same. We mean it when we say that we will be very happy and flattered if you will attend our sale. And, although we are not going to praise our productions in this word of greeting, nevertheless we are sincere in our belief that the cattle we are offering will do well for those who buy them.

There are several factors, however, that make this sale somewhat different from the rest. This is our first sale and those who are familiar with our aims will be aware that it is the result of long time planning. For years we held the belief that the growth of our breed could be accelerated by establishing a large source of supply where wide selections would be possible and where the needs of prospective buyers who seek quantity as well as quality might be satisfied. Through outright purchases and consolidations, the new enterprise, formed in late 1956, brought together the three strong herds formerly maintained at Landen Farms, Tulleevin Farms and South & Gallaher Farms. All were combined in one great unit headed by **three International champion bulls.**

With over 150 producing cows, an annual sale is possible and this is our first. The cattle were selected months ago with the aim of providing more sons and daughters of International champions than have ever been offered before in one sale. This we have done and we are proud to offer them under the name and guarantee of Tulleevin Farms.

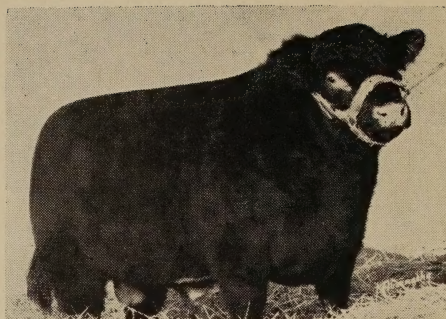

Mr. and Mrs. D. J. O'Connor, Jr.

**This is the succession of  
blood that guarantees the  
performance of most of  
the cattle in this sale**

No herd is better than its herds-  
men — and Tulleevin has two of  
the best. Here they are looking  
over the new young herd bull Tu-  
jays Royal Oak x. At the left is  
Robert House and at the right is  
Dale Ketron. Photo was taken by  
Abernathy on a blizzardy day but  
the bull and the herdsman look like  
they were enjoying it.

## for those who have high aims!

To those who seek the blood of International champions in order to carry out the aim of producing future champions, here is the sale for you. This catalog is factual. In various places, the dream that visualized a herd of such size and strength is told. In other places the blends of International grand champion blood are stressed. Many of the sale animals are pictured, all are described modestly. Show records are given in the captions beneath the pictures — and it should be noted that a number of the winning members of the 1956 and 1957 show herds are to be included in the sale.

Much more could be written but is it necessary? The type is right; the pedigrees are right; the International champions of 1952, 1953 and 1954, all owned by Tulleevin, have sired top winners at subsequent leading shows. If I were buying for a herd of my own I would invest liberally in the kind of cattle offered in this sale and I would feel safe in patronizing such folks as the O'Conors and the Souths.

**Upright Leader** — Sired by the famous Perth supreme champion Pittodrie Upright, a \$64,000 imported bull that has done much for the Polled Shorthorn breed. He was named reserve grand champion at the 1953 International Livestock Show and he is passing on to his calves the level lines, perfect balance, quality and character that made his sire the record selling bull of modern times. The sons and daughters of Upright Leader in this sale are worthy of your most careful consideration.

The sons and daughters of S & G Admiration and the females carrying his service will be a real feature of this sale.

**Tujays Royal Oak x** — This sensational junior calf attracted wide attention at the 1957 Eastern National Show and a lot of people tried to get a price on him. We were highly pleased when the owners of Tujays Farms agreed to sell a one-half interest to Tulleevin Farms. He is by Carona Clarion x, an Iowa State Fair grand champion and his dam, Tujays Red Rosewood x, is one of the most perfect show females that has been exhibited at leading fairs in many years. Be sure to see this sensational calf at Tulleevin Farms on sale day. We think he will make history.

As a senior yearling he won first at the Ohio State Fair, first at Harrisburg, Pennsylvania, and second at the Eastern National Exposition in Maryland in horned competition. This bull was retained for herd bull duty at Tulleevin, in fact several heifers in the sale are carrying his service. We were persuaded to sell him in this sale but we are reserving the right to use frozen semen from him. On January 28, 1958, he weighed 1,585 pounds, having had an average daily gain of 2.06 for the last 85 days. He is certain to make history for Polled Shorthorns.

**Tulleevin Bravado x** — A very good son of the 1954 International reserve grand champion Circle View Leader x and an excellent prospect for a summer yearling show bull. He is a half brother to the good summer yearling bull that Oakwood showed in 1957. He is young but the kind that will be worth waiting for. He has a grand head, short legs and is full of promise. He weighed 665 pounds on January 28, 1958, for an average daily gain of 2.35 pounds for the last 85 days and an average daily gain since birth of 2.32 pounds.

**L F Red Lavender x**, grand champion sale female and top selling polled female at the 1957 International Congress Sale. She was sired by L F Fascination x, exhibited and consigned by Tulleevin Farms. She was purchased at \$1,300 by Brookwood Farm, Westfield, New York. Earlier in the season she won reserve championships at the Ohio State Fair, the Pennsylvania Livestock Exhibition and reserve junior championship at the New York State Fair.

**Eureka Fascination 3rd x** by L F Fascination x — Was the first prize junior bull calf and reserve junior champion at the 1956 International for Herbert Weber & Sons, Edgerton, Ohio and was also a member of the first prize pair of bulls and second prize get-of-sire group.

## CHAMPIONS THAT SIRE CHAMPIONS

**Where  
have  
you  
seen  
more  
quality,  
greater  
uniformity?**

Since the Tulleevin Herd was formed by the consolidation or purchase of several herds, a good many of the blue and purple winners pictured on these pages were not owned by Tulleevin at the time they were exhibited. We want to give due credit to the winnings of Landen Farm, Herbert Weber, and South & Gallaher. They were nearly all by grand champion sires that are now our complete property but the credit for feeding and showing these prize winners belongs elsewhere.

**Eureka Fascination x** — Undefeated junior yearling bull for Herbert Weber & Sons in 1956 including the International Livestock Show. Earlier he had been junior and grand champion at the Indiana and Ohio State Fairs. He is now owned by Home Again Farms, Franklin, Virginia.

**L F Lavender Lady x** and **L F Fashion x**, undefeated pair of calves wherever shown in 1956 by Landen Farms. The former was junior and grand champion at Ohio State Fair, res. junior and res. grand champion at Indiana State Fair. **L F Fashion x** was junior and reserve grand champion at the 1956 International and a member of the first prize pair of bulls at Chicago. Both were members of the junior get-of-sire that won first at Ohio and Indiana and second at the International in 1956. **L F Fashion x** is now making a great record in the herd at Leemon Stock Farm.

**Eureka Lady Amelia** — First prize summer yearling and reserve junior champion female at the 1957 International for Herbert Weber & Sons, Edgerton, Ohio. Sire, **L F Fascination x**.

Four beautiful heifers that will sell well forward in calf to International grand champion bulls. From left to right they are: **Tulleevin Victoria x**, (Lot 24), **Tulleevin Astrid x** (Lot 25), **Tulleevin Rosewood Rose x** (Lot 26), and **Tulleevin Missie A D x** (Lot 27).

## the females . . . .

Please bear in mind that although the Association guarantee places no guarantee for heifers under 14 months of age, Tulleevin is more liberal. They agree to guarantee every female in the sale to be a breeder regardless of age at the time of sale.

Also bear in mind that the Tulleevin Herd is Bang's Certified (No. 15853) and T. B. Accredited (No. 507385).

**S & G Orange Blossom C 2 x** — Her kind are seldom offered. She is a daughter of the International grand champion S & G Admiration x and she is in calf since July 30, 1957, to the International grand champion L F Fascination x. She was the first prize junior yearling heifer at the 1958 New York State Fair and her full sister was the top selling open heifer in the 1956 Ohio State Sale going to LeRoy Egbert, Botkins, Ohio. This heifer should appeal to those breeders who like the better kind and her calf will be backed with the blood of International grand champions.

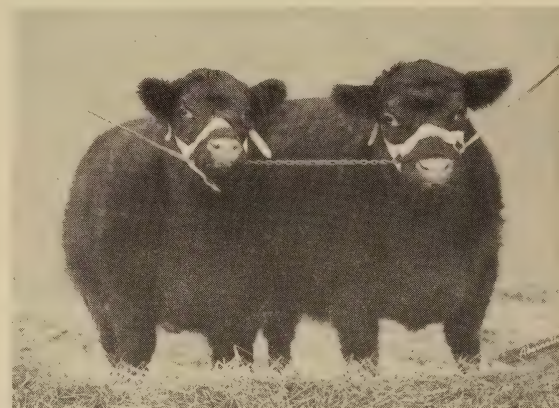

(Left) — These eight animals pictured were all sired by our herd bull L F Fascination, the 1954 International grand champion. At the 1956 International members of this group won seven first prizes, three second prizes, a junior and reserve grand championship and a reserve junior championship. Several of these animals are pictured singly elsewhere in this catalog because they went on to even higher triumphs in 1957.

(Left) **L F Lavender Lady x** — First prize senior yearling heifer, senior and reserve grand champion. Polled Shorthorn female at the 1957 International Livestock Exhibition. When exhibited with L F Red Lavender x, the pair won first prize in the class for pair of females. Sire, L F Fascination x. Exhibited by Tullevin Farms.

(Right) First prize pair of females at the 1957 International, both exhibited by Tullevin Farms and both sired by the 1954 International grand champion, L F Fascination x. At the left is **L F Red Lavender x**, grand champion sale female, purchased by Brookwood Farms, Westfield, New York, at \$1,300 top female price. At the right is **L F Lavender Lady**, reserve grand champion.

The second prize get-of-sire at the 1956 International were these four good headed reds exhibited by Herbert Weber & sons, Edgerton, Ohio. These are by L F Fascination x, the 1954 International grand champion bull.

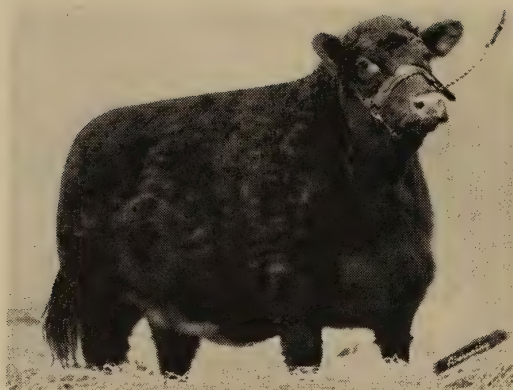

**L F Fashion x** by L F Fascination x. Early in the 1956 season Chuck Leemon decided he was what he wanted at Leemon Stock Farm and he got an option on him. His judgment was perfect because the bull was named junior and reserve grand champion. Exhibited by Landen Farms.

Heading the three-bull group at the 1956 International were **Eureka Fascination 3rd x**, **Eureka Fascination 2nd x** and **Ohio Fascination x** shown by Herbert Weber & Sons. All were by L F Fascination x.

# Standard Guarantee

ENDORSED BY

**AMERICAN SHORTHORN BREEDERS'**

**ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as the service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

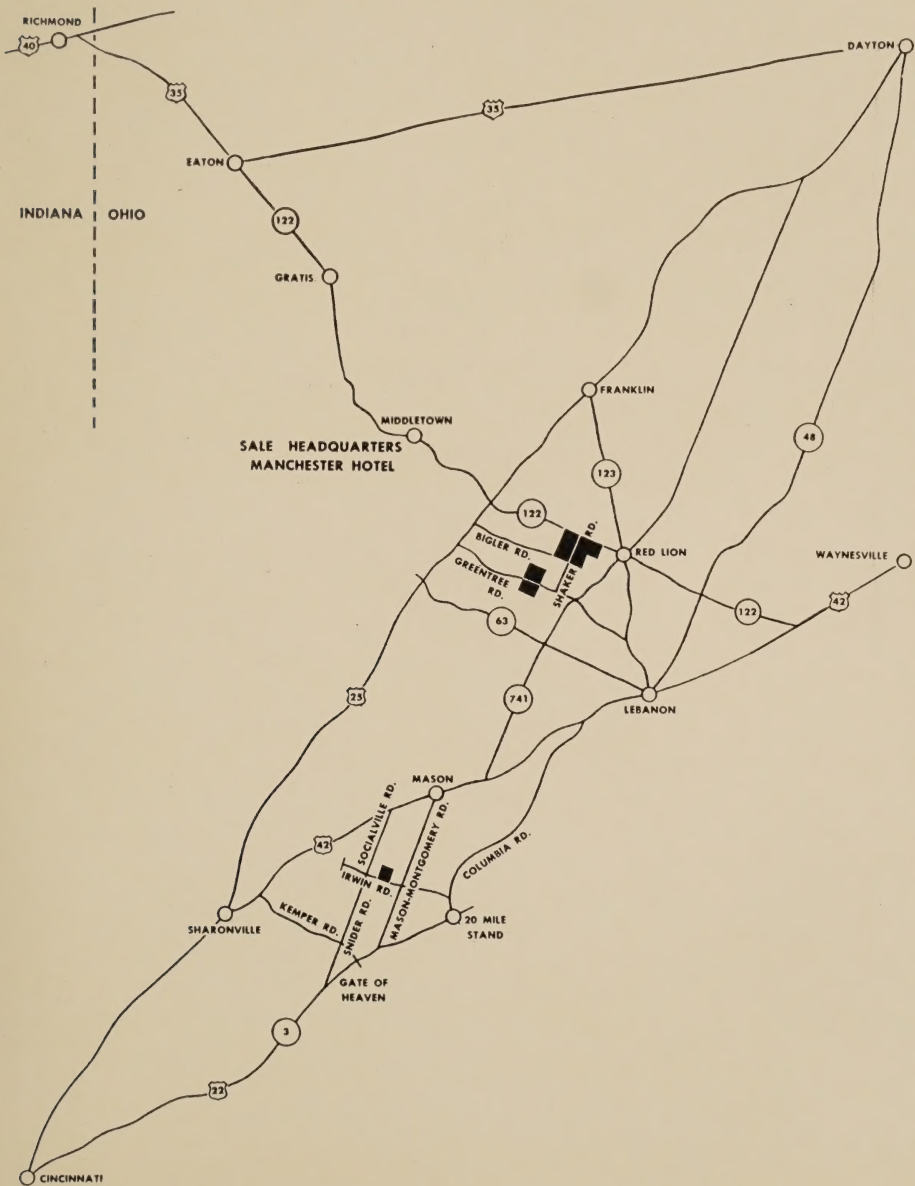

Calfhood vaccination is practiced regularly at Tulleevin Farms and every effort is made to guard the health of the animal. Each animal in this sale has complied with the health regulations of the State of Ohio and health certificates on sale day will be issued by an authorized representative of the Ohio State Veterinary Department.
